• EPHRATA, PENNSYLVANIA 1963

FOREWORD

Although this is only the second year in our school, it no longer seems strange or different to most students. Many of the difficulties of adjustment we found in September of 1961 have been forgotten, and we are now accustomed to a new routine of a larger school system.

We are aware of many changes that have taken place since we began our high school career in 1960. To mention only one, our dormant mountaineer at the left has now become the official mascot of Ephrata High School.

As members of the graduating class, we urge underclassmen to make wise use of the opportunities our school offers. Regard your time here as a privilege and use it as a preparation for a worthwhile future.

We, the Senior Class, present the 1963 edition of the **Cloisterette** as a record of this year's highlights. May it bring pleasant memories to mind as you recall your 1962-63 year at E.H.S.

ALMA MATER

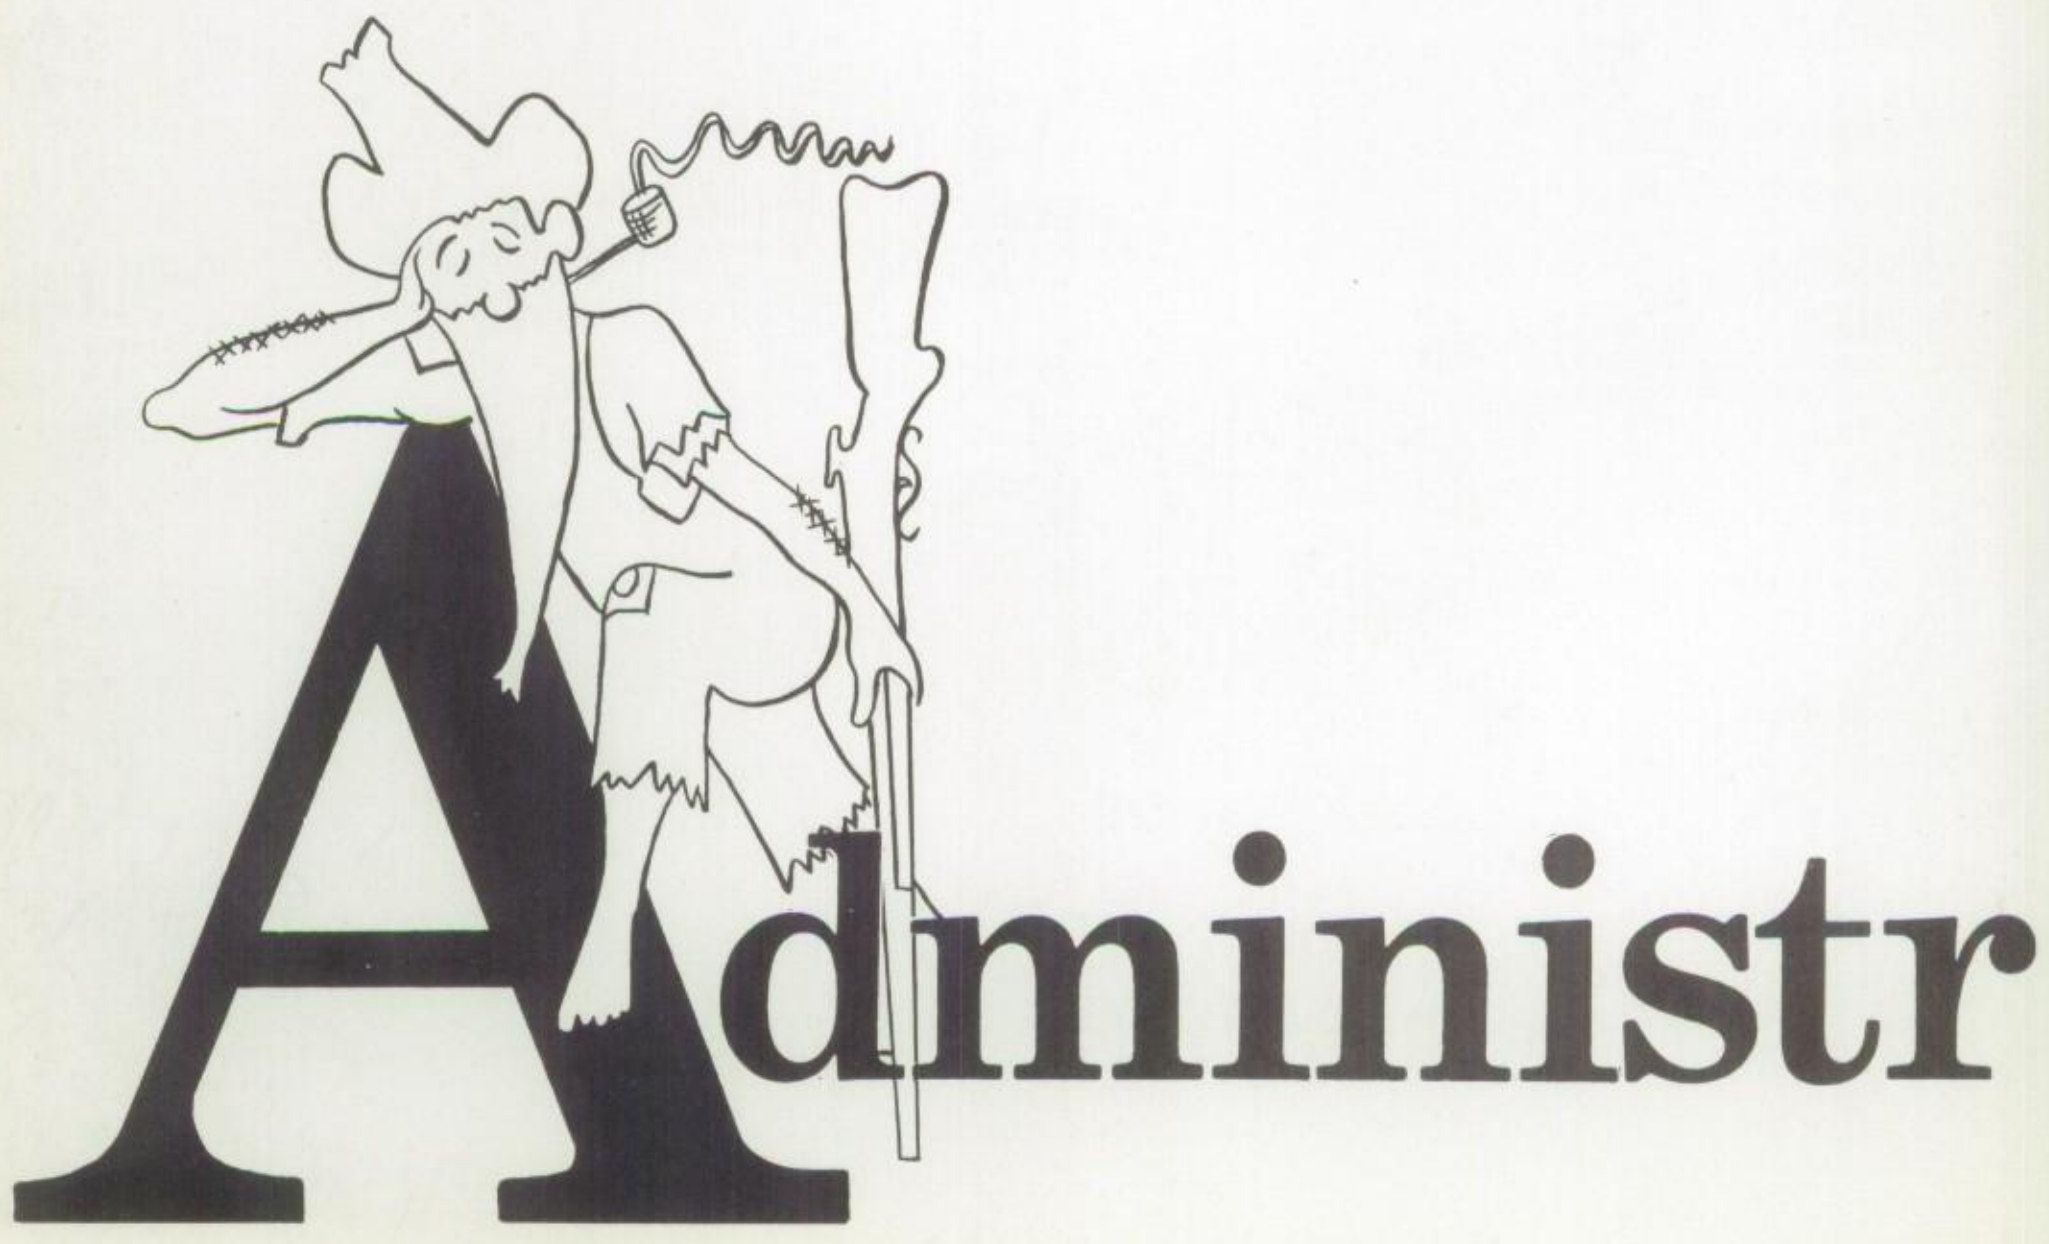

Hail Alma Mater,
Thee we uphold,
Our ties grow stronger,
As the years unfold;
We'll show our loyalty,
To thee be true,
Faith, hope, and truth revere,
Purple and Gold.

I know this year. Jim
 number all the fun
 had in dreamland and
 the time Miss Regal
 called at us for talking. Must
 forget the football James all the
 pounds and especially they has wish
 to Allintown. I hope not go 2 3 books
 that will be too neat. Best of luck in any-
 thing you may attempt in your future years.

Always,
 Joanne

THE MIGHTY MOUNTAINEERS

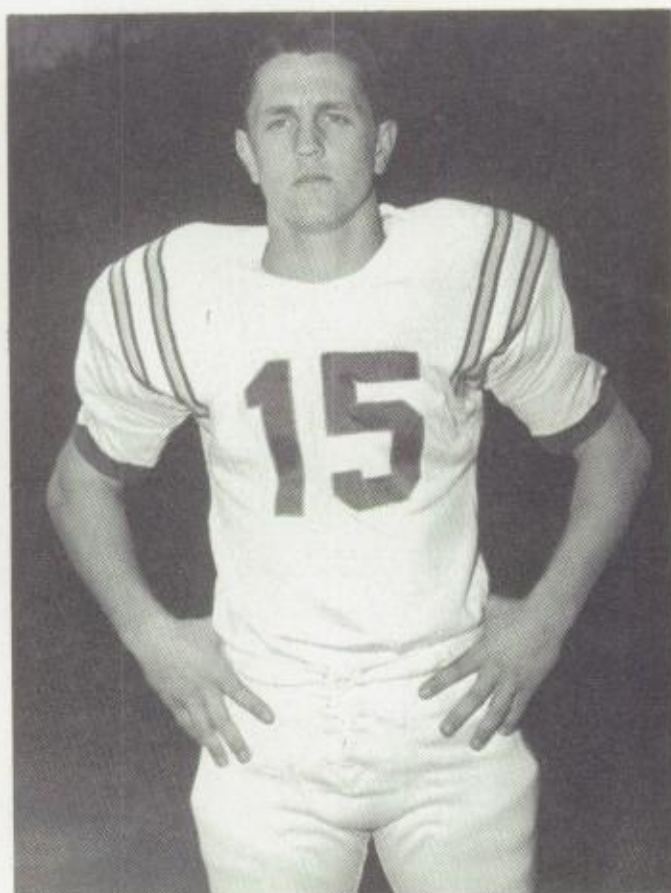

The Mighty Mounts, with the aid of fifteen returning veterans, played within one point of a perfect season to set a record of 9 wins and 1 loss. Their conference record was 7 and 1, one of the best in the last decade of E.H.S. football. Under superb leadership of Mr. Young, Mr. Lynch, and Mr. King, they defeated an arch rival, Warwick, who was champion of the Conference of Roses. Both the coaches and the team deserve a great amount of credit for their accomplishments. The tri-captains for the year were Ken Bender, Ralph Deckard, and John Weidman.

FRESHMAN FOOTBALL

Although the record of the team does not indicate a top-notch year, success was procured by understanding and learning the fundamentals of good football. Under the expert leadership of Mr. White and Mr. Quick, the

boys also gained the value of good sportsmanship. Ephrata High can look forward to new varsity material as these boys grow in football stature.

VARSITY BASKETBALL

The varsity basketball team, under the command of Coach Snook, has completed a successful season this year. The foundation of the team, being built upon underclassmen, is very firm and should warrant a good basketball season at EHS next year.

The senior captain of the team is George Gamber, a good all around athlete.

VARSITY WRESTLING

Coaches C. Lynch, T. King.

The EHS wrestling team entered into varsity competition for the first time this year. Although they didn't score many victories, the team members gained valuable experience for the seasons to come. The boys made a commendable showing and deserve much praise for the fine job they have done.

VARSITY BASEBALL

The varsity baseball team under the direction of Mr. Lynch and Mr. King posted a 4-6 record* for last year's log. Comparing this with the records of other county teams, it is a very fine record.

Next year's record stands to be even better as most of the team will be returning with the exception of three seniors. With this promise of returning members, EHS looks forward to another season of exciting baseball.

THE EPHRATA TRACK TEAM

The track team, newly formed by Mr. Engleman, has already brought laurels to Ephrata High School. During the regular season the team placed second in several triangular meets, and finished the year with a close win over Lancaster Catholic High.

At the Lancaster County meet, seven boys brought the team a fourth place finish. Tony Kilkuskie, a 1962 graduate, won the half-mile run, setting a new county record of 2:05.3.

Allen Buffenmyer, our top sprinter, took a close second place in the 100-yard dash, and finished third in the 220-yard dash. Leonard Fry placed fifth in the mile run, and our "patched-up" 800-yard relay team took fourth place. All in all, the year was a real success.

Looking ahead . . . there is a nucleus of talented boys on our 1963 team. We will have better depth in the field events, especially, the shot put and discus. We are hoping for another successful season.

LEFT TO RIGHT — A. Buffenmyer, J. Weik, G. Mellinger, T. Hobbins. These boys will help bring back the honors for Ephrata at track meets this year.

FAREWELL

Before this year our lives floated indolently on quiet waters while teachers, friends, parents, and older friends withstood the storms for us. Yet, as we drifted, we all moved in the selfsame direction and now we have reached the outlet of our stream. Ahead of us the turbulent, open sea waits either to toss us about until we admit defeat or to be harnessed by our sound judgment and able hands.

As graduates of Ephrata High School, we will use our past experiences and knowledge to our advantage in conquering all factors which oppose our success and happiness. We have tasted the wine of life with eager lips, and we will move to broader horizons to drain the cup. Our past studies have prepared us and given us deeper insight on what we must expect as we leave the people closest to our heart to govern our own lives without their help.

From the wisdom our class acquired in our last year of high school, we would like to advise all future seniors to seek the highest goal, the brightest star, or the Olympian paradise, and to procure it from hard work both as a student and as an individual in life. With this advice to all those who succeed our class, we leave our Alma Mater with strong minds, great hearts, and ready hands. Opportunity is knocking for those who are graduating, thanks be to our parents, teachers, and friends who prodded us on when we were losing the battle, for now we are winning.
